Sir / Madam

The Post Graduate and Research Department of Commerce established in 1944 is one among the prestigious Department of the Sacred Heart Family. The Commerce Department is proud enough to present their Annual Cultural-Management Fest TANDAV 2023

TANDAV is an Inter Collegiate International Cultural - Management Fest organised by the department for the past 25 years. The Department takes pride in giving a platform for the students of other colleges to actively participate and exhibit their skills and talents. TANDAV is completely planned and executed by the students of the Commerce Department with the active involvement of their faculty members. This has given the students an opportunity to expose themselves to the art of managing and organising a fest. Initially TANDAV had a humble beginning in the year 1998 wherein it was a one day fest with limited talent competitions. Over the years TANDAV has grown in size and has specialised well to include more Cultural and Management events. Today, TANDAV is a two day fest which brings out the best of the talents among the students.

TANDAV 2023 would be held on 15th and 16th December 2023.
